

GREATEST TRACKS IN SLOT CAR RACING

Fast Track Hobbies features multiple championship quality slot car tracks and a drag strip. Each track offers it's own unique driving experience.

165' PURPLE ANGEL SLOT CAR TRACK

The "Angel" was built by Chris Dadds and is the granddaddy of track designs. This HUGE track combines hill climb and flat track racing into one fantastic experience! Lap times under 5 seconds are common... FAST!

120' RED KINGLEMAN SLOT CAR TRACK

The "Kingleman" is actually a Reverse Kingleman based off the much larger Blue Kings. It features moderate banking and can be a challenge for faster cars but is perfect for kids. This track was built by Steve Ogilvie.

135' YELLOW DRAGON SLOT CAR TRACK

The "Dragon" is a very tight road course with a large donut. Built by Cruisin Bob, this track is one of our most challenging! This track will test the mettle of any driver!

MINI BLUE OVAL SLOT CAR TRACK

Our portable track, Built by Cruisin' Bob Scott. This mini-track comes complete with sound effects. We have found that children of *all* ages enjoy this track.

1/4 MILE SLOT CAR DRAG STRIP

The drag strip is complete with a timing system and NHRA style "Christmas Tree"
